

INDIANA TECH

Office of the President

Dear Military-Connected Students,

Welcome to Indiana Tech! We are honored to have you join our community, whether you're attending on campus or online. As a regionally accredited, non-profit institution recognized for being military-friendly, we are committed to supporting you throughout your educational journey.

Our dedication to military-connected students begins with our President and Board of Trustees and extends through every department at Indiana Tech. Our Military & Veteran Services team, composed entirely of individuals with military backgrounds, understands the unique challenges you may face and is here to assist you from application to graduation.

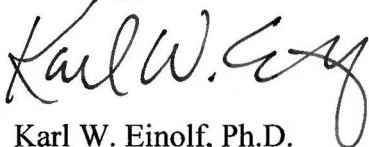

To honor your service, Indiana Tech provides generous military scholarships for all active duty, reserve, guard, veterans, and their spouses across undergraduate, graduate, and Ph.D. programs. Civilian Department of Defense, Department of Homeland Security, and Department of Veterans Affairs employees are also eligible.

At Indiana Tech, we define "military connected student" as any individual who is currently serving, contracted to serve, or previously served in the armed forces for our nation. Spouses and immediate family members of a current or former military service member are also included in this definition.

We are committed to providing you with the resources, support, and opportunities you need to achieve your educational and career objectives. Our team is here to assist you every step of the way.

Once again, welcome to Indiana Tech. We are proud to have you as part of our community and look forward to supporting your success.

Sincerely,

Karl W. Einolf, Ph.D.
President
